

# 2014-2015 and 2015-2016 Upland Game, Furbearer Licenses and Permits

As of January 1, 2014, fees may change without notice. For all resident and nonresident license, tag and permit fees, see pages 56-57.

No person shall hunt, trap, or fish for or take any wild animal, bird or fish of this state or practice falconry without first having procured a license.

Before purchasing a hunting license, all applicants born after Jan. 1, 1975 must complete a state approved hunter education course. See page 54.

The \$7.25 resident Junior Hunting license (for ages 10-17) may be issued to qualified persons who are nine years of age to allow them to apply for a controlled hunt turkey permit; however, the youth may not hunt until they are ten years of age. Youth with a Junior Hunting License who are ten or eleven years of age may not hunt big game and must be accompanied in the field by an adult licensed to hunt in Idaho. This license is valid for game animals (ages 12-17), game birds, unprotected and predatory wildlife. A Nonresident Junior Mentored Hunting license is \$31.75.

Nonresidents may buy a three-day nonresident small game hunting license for \$35.50. The license is valid for upland game birds, turkey, migratory game birds, upland game animals, huntable furbearing animals and unprotected and predatory wildlife for three consecutive days. (Not valid for the first five days of pheasant season.)

## License and Permit Requirements by Species

### Sage-Grouse and Sharp-tailed Grouse

To hunt sage-grouse and sharp-tailed grouse, hunters must purchase a hunting license and a \$4.75 permit.

### Pheasants - A hunting license is required to hunt pheasants.

To hunt pheasants at Market Lake, Mud Lake, Cartier, Sterling, Fort Boise, C.J. Strike, The Birding Island segment of the Payette River WMA, Montour or Niagara Springs Wildlife Management Areas, hunters must purchase a hunting license and a \$23.75 WMA permit for residents, or \$51.75 for nonresidents. The permit is required for hunters aged 17 and older. Permits are valid for six pheasants and multiple permits may be purchased.

## Other Species

Hunters who pursue quail, partridge, forest grouse, rabbit, hare, crows, predators and unprotected species must purchase a hunting license. No special permits are required. Pygmy rabbit season is closed. Mountain quail season is closed.

A hunting license is required to practice falconry in Idaho. Falconers also must obtain proper state and federal permits for training and possessing a bird of prey. Contact the nearest Idaho Department of Fish and Game regional office for more information.

Nonresident falconers must have a valid Idaho hunting license, all necessary validation and a valid falconry permit from their state of residence.

## Migratory Game Birds

To pursue doves, ducks, geese, coots, sandhill cranes or common snipe, hunters must purchase a hunting license and federal migratory bird harvest information program (federal HIP) validation. The validation is \$1.75 for residents and \$4.75 for nonresidents. Hunters 16 years or older also need a federal duck stamp for ducks, geese and coots.

## Trapping License

No license is required for resident children under the age of 14 years to trap muskrats from irrigation ditches or property on which they live during the open season. A license is not required for resident children under the age of 12 years to hunt, take or kill predatory, unprotected birds and animals by means other than with firearms.

## Reciprocal Agreement

Attention Nonresident Trappers: A nonresident Idaho trapping license allows you to trap only those species that your home resident state allows nonresidents to trap and that there is an open season for those species in Idaho. Quotas apply. For states with multiple quotas, the most restrictive trapping quota will apply in Idaho. Nonresidents are advised to review their home state's nonresident trapping rules.

# Licenses, Tags and Permits

## To Buy a License, Tag or Permit

- In person, go to any Idaho Fish and Game office or license vendor throughout the state.
- By credit card, within the United States call 1-800-554-8685. Outside the U.S., use the Internet or mail.
- From your computer or mobile device, go to <http://fishandgame.idaho.gov>.
- Commercial licenses, duplicate tags, lifetime licenses, and bear baiting permits may be purchased only at Fish and Game offices.

When buying licenses by telephone, the buyer, on request, will be assigned a confirmation number that may be used in lieu of the actual license for 14 days from the date of issue. When this number is used, the person must carry their driver's license or identification card. A confirmation number may not be used in lieu of a tag or salmon/steelhead permit. Purchasers must wait until tags or permits arrive in the mail. Licenses purchased online must be printed from the buyer's computer; they will not be mailed.

The charge for phone-in purchases is 3 percent of the transaction plus \$5.50; the charge for online purchases is 3 percent of the transaction plus \$3.50. Call 208-334-3700 for information.

Any license, tag or permit that is defaced or altered is invalid from the date and time of issue. It is unlawful to use or attempt to use any license that has been defaced or altered.

**Nonresidents:** If you hunt with an outfitter in Idaho, the outfitter should buy your tags through the "outfitter set-aside" pool of tags. No outfitter should suggest that you buy your own tags from the general nonresident pool of tags.

**Sale Dates:** Most licenses and tags go on sale December 1 of each year, but resident deer and elk tags are not available until after the controlled hunt drawings are done. All licenses are valid only for the calendar year for which they are issued.

## Hunter and Bowhunter Education

- To buy a hunting license, all hunters born on or after January 1, 1975 must show proof that they have completed a hunter education course, unless they have held a hunting license from Idaho or another state.
- To buy an archery permit, all bowhunters must possess a valid hunting license and show proof they have completed an approved bowhunter education course or show evidence of having been licensed for an archery-only hunt in Idaho or another state, or complete an affidavit to that effect.

- Course and registration information can be found on the Hunter Education Program page of the Idaho Fish and Game website at <http://fishandgame.idaho.gov> or obtained from a regional Fish and Game office.
- **Individuals planning to participate in fall hunts are urged to register for a course early in the year and before June 30.** The number of classes and field days becomes limited close to and during the hunting season.
- Individuals with disabilities may request reasonable accommodations or obtain additional information by contacting the Fish and Game State Hunter Education Coordinator's office, 600 S. Walnut St., Boise, ID 83707, phone 208-334-3746, or toll free at 1-866-285-1544 or through the Idaho Relay Service at 1-800-377-2529 (TDD).

## Refund Policy

No refunds will be made on resident licenses, tags or permits. Nonresident hunting licenses and tags may be refunded less issuance fees and a \$50 processing fee, in the event of:

- Illness or injury that disables a license holder for the entire applicable hunting season
- Military deployment of license holder due to armed conflict.
- Death of the license holder or his or her parent, spouse or child.

Tags and license must be returned with proof (death certificate, obituary, written justification by a licensed medical doctor, or copy of military orders). Hunting license fees will not be refunded after the license is used to apply for a controlled hunt or to buy a turkey, mountain lion, bear or gray wolf tag. The request must be postmarked by December 31 of the year in which the license was valid, except for "event of death" refund, which must be submitted within 1 year of the death.

A controlled hunt permit and tag may be made available in the same hunt for purchase by an immediate family member of a person who died before using his or her tag, and whose family had the fees refunded. Contact Fish and Game Licenses at (208) 334-2592.

If a refund is requested for any other reason, only the tag fees (not the license or permit fee) may be refunded at the following sliding scale rate:

- Postmarked before April 1 – 75 percent refund.
- Postmarked April 1 through June 30 – 50 percent refund.
- Postmarked July 1 through August 31 – 25 percent refund.
- Postmarked September 1 through December 31 – No refund.

## Your Social Security Number is Safe

The 1998 Idaho Legislature required that all applicants for licenses issued by the state, including hunting or fishing licenses, tags and permits, must give their Social Security number for a license or permit to be issued. The Idaho Privacy Law protects your Social Security number. It is considered confidential, will not be printed on your license and will not be given to any private person or organization.

## Resident Disabled Licenses

Anyone certified as eligible for federal supplemental income (SSI), social security disability income (SSDI), railroad retirement board disability, a nonservice-connected veteran's pension, or a service-connected veteran's disability benefit with 40 percent or more disability, may qualify for a "Disabled" license. Bring current year documentation when applying. Disabled licenses may be purchased at Fish and Game offices, selected license vendors (see website for list), and through the mail.

## Resident Lifetime License Certificates

Regardless of your age, the purchase of a Lifetime License certificate could be the best investment you ever make. Lifetime License Certificates authorize all privileges associated with a corresponding annual license. These certificates are valid for the lifetime of the certificate holder and are available to all Idaho residents. The Lifetime Certificate does not include tags and permits. If a Lifetime Certificate holder moves out of Idaho, they will continue to receive an annual license, but will pay nonresident tag and permit fees. Lifetime Certificates can be purchased at Idaho Fish and Game headquarters and regional offices only.
